To whom it may concern,

Re: Reference in favour of :

**RBR Conservation
Stansted Centre, Parsonage Road,
Takeley, Essex, London, CM22 6PU.**

Donban (DCUK) engaged RBR Conservation over the past 2 years on a number of differing works packages which in total value are approx. £2.8 m Excl Vat. The works comprised in the conservation and repair of Listed Areas of a Grade 2 * Building, 10 Trinity Square Hotel, in the heart of the City of London.

A particular challenge was to conserve and repair the existing windows that are circa 90 years old and were a subject to detailed scrutiny by the Listed Officer. RBR Conservation developed a method and achieved the satisfaction of the City officials. Also of a particular challenge was the conservation and repairs works to the Portland stone façade, which included cleaning, stone & crack repairs and rake & repointing.

All the works undertaken were won in competition and we compliment RBR Conservation in delivering to their promises on quality, programme, team and cost. It required full commitment from the RBR Conservation team to satisfy the Clients and City of London LB Officers to achieve the quality goals that were set in pretty tough time frames.

We at DCUK have no issue in providing this reference and look forward to an ongoing relationship on future projects.

Regards,
