Re: RBR Construction Ltd

I confirm that RBR Construction Ltd undertook the façade renovation project on Primark Birkenhead in the third quarter of 2013 and that I have no hesitation in recommending them, nor do I have any issue with Contracting with them on future such projects.

The contract period was approximately 12 weeks and the works were carried out diligently and managed professionally. The project was not without problems, none of which were the Contractors making but all of these were effectively and properly managed.

Please do not hesitate to contact me if you wish to take further reference.

Kind regards,
